Registration for the project CC IRAN /Train-The-Trainer

"Further training in refrigeration technology with certification in Germany"

reply

return until 15.3.2019

Ladies and Gentlemen,

I'm very interested in participating in the CC Iran project and hereby I register to participate through my employer _____ (please register here the employer).

I have been informed that a participation includes the attendance of an educational event in Germany (September 2019).

I have clarified the assumption of travel costs with my employer.
